

To download a presentation while viewing the Recorded Webcast, follow the instructions below:

- Log into the Teradata Education Network.
- Find the webcast in your “Learning Assignment” tile.
- Click on the course title.

The screenshot shows the 'Catalog' search interface. A search bar contains the word 'webcast'. Below the search bar are filters: 'Curricula' (checked), 'Instructor-Led' (checked), 'Online' (checked), 'Blended' (checked), 'Other' (checked), and 'Exact Phrase' (unchecked). A 'Go' button is to the right. Below the filters is the 'Search Results' section, which displays a table of results.

Title	Type	Price	Status	Action
A CPU Second is Not a Universal Constant (Webcast)	Webcast	0.00 (USD)	--	Add to Learning Assignments Start Course
A Few Seconds in the Life of a Teradata Request (Webcast)	Webcast	0.00 (USD)	--	Add to Learning Assignments Start Course

- Then once the description opens, click on the Paperclip and it will show you the attachment.
- Click on the title and the presentation will open.

The screenshot shows the course page for 'A CPU Second is Not a Universal Constant (Webcast)'. The page includes a back button, the course title, and a description. The description mentions that the presentation will set new expectations and dispel misconceptions about CPU seconds. It also includes a note about downloading the presentation by clicking the paper clip icon. The course is listed as 0.25 hours long and 0.25 credits. A yellow paper clip icon is highlighted, and a dropdown menu shows the attachment 'A CPU Second is Not a Universal Constant Presentation'.
